

## SOP of the process followed for recruitment of Student team of CIIE

Faculty incharge of Centre for Innovation Incubation & Entrepreneurship (CIIE) circulates the information among student community in the beginning of every academic year about the recruitment for student body. Nominations gets invited for CIIE student body. Based on the number of vacant seats in the existing CIIE student body, recruitment takes place after faculty incharge and existing CIIE student coordinators interacts with the applicants. Two students from the newly formed student body gets appointed as Student Coordinator of CIIE.
